runningsports
official partner

advocate partner with
runningsports! A huge
achievement that we hope to
expand upon in the
future.

for this newsletter, it seems
like such a short time ago I
was completing
my section
for March's
edition!

From the
technical
front, it
was
great to
see

Charlotte
Newbold take bronze at the
National Schools; we intend to
attend this competition next
year with much more depth
following her success! Some of
us tried our best to watch the
contests, but unfortunately the
BJA's stream was only for two
mats not all four! We did at
least see the corner of the
mat that she was fighting on!

Shudo's development has
taken much of my time this
month; I really hope that the
energy that is around the
sessions pays dividends.

Also the change in Southend's
times have been interesting.
Whilst I can see the
advantages, social networking
has really helped people let
the club know exactly how
they feel. This has made slight
changes to the sessions and
we are now working towards a
great advancement. Indeed,
tonight's session really
wouldn't have worked in it's
previous incarnation; we just
need to ensure that
EVERYONE gains.

Welcome to the Official Akitas Judo Clubs Newsletter Issue 14, April 2010

AKITAS CONTINUE TO REACH NEW HEIGHTS!

Apologies for the delay in
producing this month's
newsletter; Adam and I
had a bit of a rushed move
and it's taken quite a bit of
our precious time to get
organised!

She takes the belt from Tho-
mas

Shoeburyness High School
(geddit?! Shoeburyness
Judo?!?. So far one of the
three sessions is fully
booked up, and we have
only experienced the taster
sessions so far! We thank
Extended Schools, SSCO and
SHS for their support in
getting this club started;
a great addition to the Akitas
family of clubs.

British Schools

Without a doubt, the biggest
thing to happen in regards to
competition success this
month was Charlotte New-
bold's bronze at the British
Schools Championships. Due
to the clubs past being away
from the access to such high
level competitions, this is
arguable the clubs biggest
ever success! Well done Char-
lotte!

Bloomfield who held
the award through March for
his excellent exhibition
throughout the Kosen Shiai.
Tom was not mentioned in last
month's newsletter in error—
we are so sorry Tom, you
made everone proud!

Volunteer!

The club is making huge
steps in the right
direction all of the
time, but we can always do
with some more support! The
delay in this months publica-
tion proves this!

Shudo!

Those of you following
us on Twitter and
Facebook have heard
about 'Shudo!'. Shudo is our
new feeder club based at

Purple Belt

In celebration of Char-
lotte's success, she is
this months Purple Belt!

It doesn't matter how small or
big the contribution that you
think you can make may be,
please let us know if you are
interested so you can be
involved with the progress!
